A company is only as good as its employees, which creates the need to recruit good talent. With that in mind Galaxy Communications is hosting a job fair in the third level of the Canyon area at Destiny USA on September 14<sup>th</sup> from 2pm-6pm

This job fair is unique because it will be promoted on radio stations and social media platforms reaching 300,000 adults in Central New York and the Mohawk Valley. This job fair will also be supported by on site ads at Destiny USA and press releases.

All participating companies will receive a database of attendees at the conclusion of the event. One lucky attendee who hands in their information will receive a \$200 shopping spree for new business attire at Destiny USA!
